GUN IMPORT FORMALITIES

1. Arrival by plane

In order to download the sample of the Passenger Customs Declaration for your firearm, please click on [PASSENGERS CUSTOMS DECLARATION](#).

Please, pay attention that the form of the customs declaration, is made exclusively as the sample for your familiarity and will be void at its presentation in the filled kind to the Federal Customs Service at airport. You will find customs declarations of the established typographical sample in cells of special racks at the airport.

Please, fill on the typographical form the points marked by a red font in the present sample.

Please click here to download the [FIREARMS FORM](#).

Do not forget to mention, your date of arrival/departure by plane to/from Saint-Petersburg airport and the flight numbers, as well as your fax number if you need a fax copy of the gun permit.

After filling in the gun form, please send it to:

Mrs Kiryushkina Olga
by fax : +7 (495) 225 83 52/ 225 83 54
or by e-mail: nfs@sporting.ru

The filled in form should be sent not later than April 30th, 2010.

Upon arrival in the Russian airport, you will be welcomed by the Russian representative who will have the original of the gun permit to be shown to the Russian customs. The representative will take the guns to the competition place ("Nevsky" shooting range).

The European firearm permit is not necessary for the Russian customs.

2. Arrival by car

For those who want to come in Russia by car, please contact your Embassy as soon as possible, in order to arrange conditions of border crossing through the customs.
