SELECTION PROCEDURE FOR HELICE 2010

Due to unusual circumstances with the World Championships in June, selection procedure will be 4 scores from this years selection shoots and the last 3 from 2009. The best three scores from these seven shoots are to count.

In the event of a tie for a team place for the World Championships a shoot off will take place at the last selection shoot, which is May 12th at West Kent Shooting School.

For the European Championships, back to normal, 3 scores from 4. First selection shoot for the European Championships is June 5th at Rugby.

28gram Cartridges ONLY to be used – this includes practice birds
