

RULE FOR ICTSC

Amity Agreement on Disciplinary Matters between Constituent Members

Where disciplinary action has been taken by the BICTSF or an ICTSC Constituent Body in accordance with its disciplinary rules and after due process has been followed, every other Constituent Body shall recognise the decision taken and any sanction imposed and shall take all necessary action to render such decision and sanction effective. [Provided that before imposing such concurrent suspension or exclusion, a Constituent Body may afford the person the opportunity to offer an explanation as to why it should not take such action.]¹

RULE FOR CONSTITUENT BODY

The BICTSF may recognise the disciplinary rules and sanctions of any other sporting body and shall recognise the disciplinary rules and sanctions of any fellow Constituent body of the International Clay Target Shooting Council Ltd and any person suspended or excluded from membership may be suspended or excluded from membership by the BICTSF. Provided that before imposing such concurrent suspension or exclusion, the BICTSF must afford the person the opportunity to offer an explanation as to why it should not take such action and the BICTSF shall consider such explanation prior to imposing any suspension or exclusion.

¹ This wording does ensure fairness and would mean that a decision taken arbitrarily by a Constituent Body might not be enforced by the others.
